Mr. Chairman,
Standing Committee,
Bombay Municipal Corporation,
Bombay - 400 001.

Respected Sir,

I the undersigned trying to draw your attention by putting up few lines for your kind consideration.

In 1976 Old Janata Colony was shifted to the Cheeta Camp, presently almost one lakh people are staying in Cheeta Camp. After shifting for couple of months no one constructed their pucca houses. Then there was a meeting held in August '76 in B.M.C. office at Cheeta Camp. The following respected persons were attended the meeting. They are:

1. MR. DESHMUKH - Commissioner
2. Mr. Hoshing - Housing Minister
3. Mr. Manohar Hoshi - Mayor
4. Mr. Sethana - B.A.R.C. Director
5. Mr. Bhalchandra - Ward Officer 'M' Ward
6. Mr. Prabhu Chimbalkar - D.M.C.

This file should be with Senior Colony Officer Mr. Gokhale. In this meeting it has been decided that in Cheeta Camp pucca house can be constructed with maximum height of 15' at front side and 17' at the back side. Since then the people started constructing their houses either semi-pucca or pucca with R.C.C. slab etc.

On 30th May, Colony Officer made a visit along with 3 rent collectors and made a list of 13 people whose construction is going on. Out of these 13 houses the following 4 houses are old constructed with the height 10' at front side and 11' at back side and provided chapara of 2/2.

These houses are G-G1 A-1, G-G1 A-2, G-G1A3, G-G1A4. Remaining 9 houses of which the construction is going on with R.C.C. slab and with 3 1/2' balcony. Colony Officer called these 13 people in B.M.C. office at Cheeta Camp for settlement. The above 4 people did not turned up as these 4 people are not able to give the amount what was required. On 31st May '86 Colony Officer demolished the 'chapara' which was constructed in front of these 4 houses and also demolished the side wall.

It is very very clear that Colony Officer did the 'settlement' with the 9 people out of 13 on the list and must have not enough to his pocket, and these 4 persons as they are poor and not in a position to give something for 'settlement', they are punished by the Colony Officer by demolishing their 'chapara'.

Apart from these case there are very many pucca constructions are going on but no where the Colony Officer took the order of demolishing the construction as he must be getting his share by any mean. The people from this colony are ready to catch him red handed if we will get the 'Notes' and we will demand for it.

I therefore earnestly request you to look in to this matter and do the enquiry and take the necessary actions against this corrupted Colony Officer.

Thanking you,

Yours Sincerely,

Ashok Nair
Secretary.
