MUNICIPAL CORPORATION OF GREATER BOMBAY

Dy. Chief Engineer (D.P.)

Sub:- Request for development of the composite cemetery at Cheeta Camp, Shahaji nagar.

Reference is requested to the copy of the D.O. letter no. C/DESK/2B/34/A 903 dt. 17.8.84 from Collector B.S.D. addressed to the City Survey Officer-VIII. The City Survey Office maintenance surveyor has demarcated the correct boundaries of the cemetery reservation at site on 27.10.94 & 17.11.94 (the staff concerned from A.E. (Acq.) E.S. did not remain present on 17.11.94). The possession of the land as per the modified plan measuring 21000 SM. was handed over by the surveyor on 17.11.94. A copy of the certified plan obtained from City Survey office is enclosed for your record. The city Survey Officer/Maintenance Surveyor did not carry out the survey for the remaining land ^{planned} layout 21000 SM. on the West side which is reserved for the public purpose of cemetery as per the sanctioned development plan of M-Ward, probably for want of specific orders from Collector B.S.D. In this connection reference is requested to your office letter no. Che/1916/Acqs. dt. 22.1.94 regarding demand made for grant of additional land as stated above. It seems that the matter needs to be pursued vigorously with Collector B.S.D. The area of the balance land now works out $(21000 + 5000) = 26000$ SM, making an aggregate total of 26000 SM. Now I am requesting the M.A./Dy.C.E. (P&D) to prepare the layout plan and estimates for phase II for Developing Hindu/Christian cemetery out of D.P.D.C. fund sanctioned. (Phase I work of construction of compound wall & filling the balance land is already commenced) ^{by} (execution by E.E.B.C. (E.S.))

Acc: Copy of plan. ✓
