Respected Sir,

Sub: Request to regularise the Residential pitch.

With due respect and humble submission I the undersigned hereby wish to furnished the following few lines for your kind and sympathetic consideration.

I am staying at Cheeta Camp, at above mentioned add. since 1977. I was a permanent resident of Old Janata Colony, Mankhurd, Bombay. At the time of shifting to Cheeta Camp, unfortunately I was not present. As soon as I came to come to know about this. I rushed to Old Janta Colony which was already shifted to Cheeta Camp.

In Cheeta Camp, I constructed a structure at above address and staying there alongwith my family since 1977. The same was demolished twice, once in 1978 and then in 1979. I have submitted an application in B.M.C. Office at Cheeta Camp, alongwith my photograph that I am staying at above address and kindly regularise my pitch. I am ready to pay the compensation whatever it may be. I have many proof of my resident e.g. Ration Card, Municipal Notice and my name is also included in Election Roll.

Therefore you are kindly requested to consider on my application and regularise my pitch.

Expect you would do the needful and oblige.

Thanking you,

Yours faithfully,
